City	San Francisco, CA	Seattle, WA	Miami, FL
#	270	235	196

Total number of Japanese Restaurant

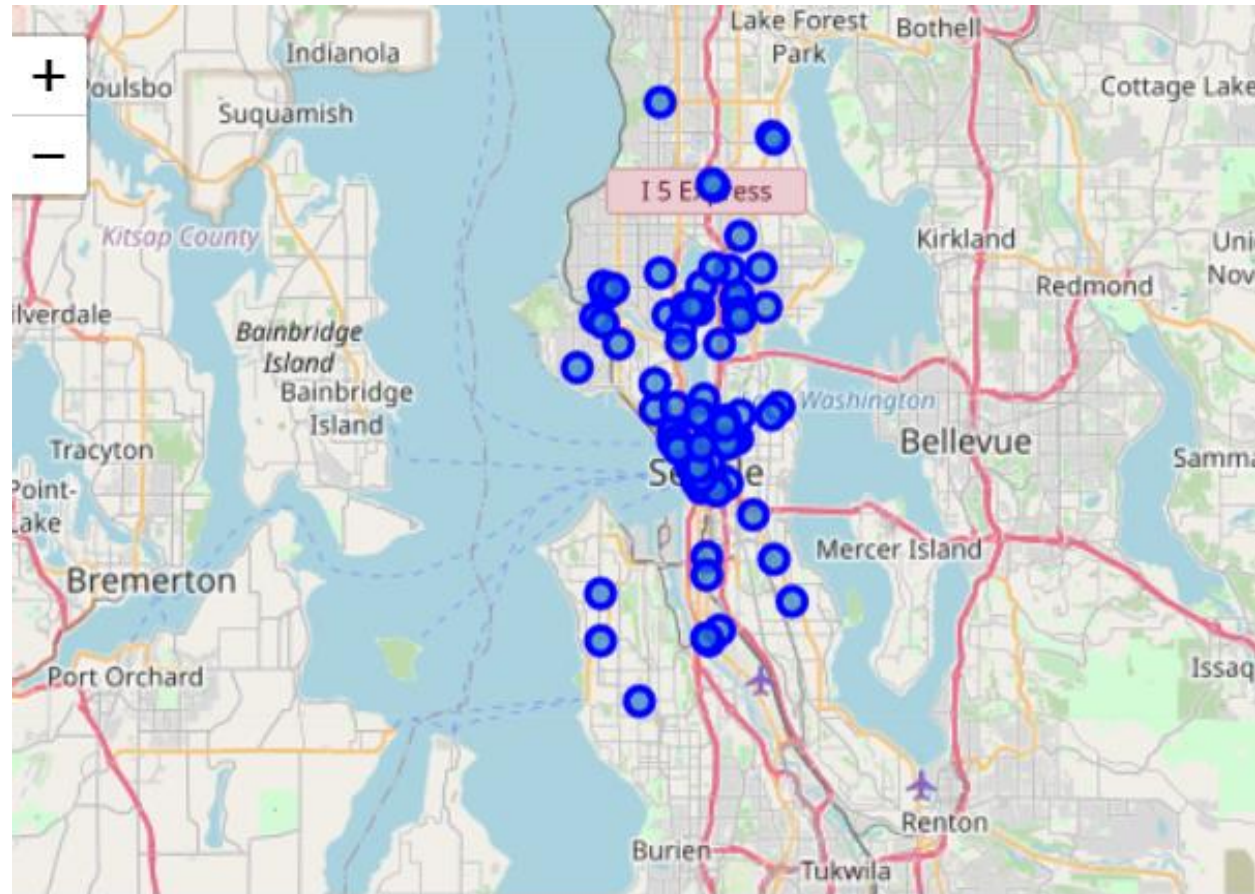

# ANALYSIS

Japanese Restaurants Location - San Francisco, CA

# ANALYSIS

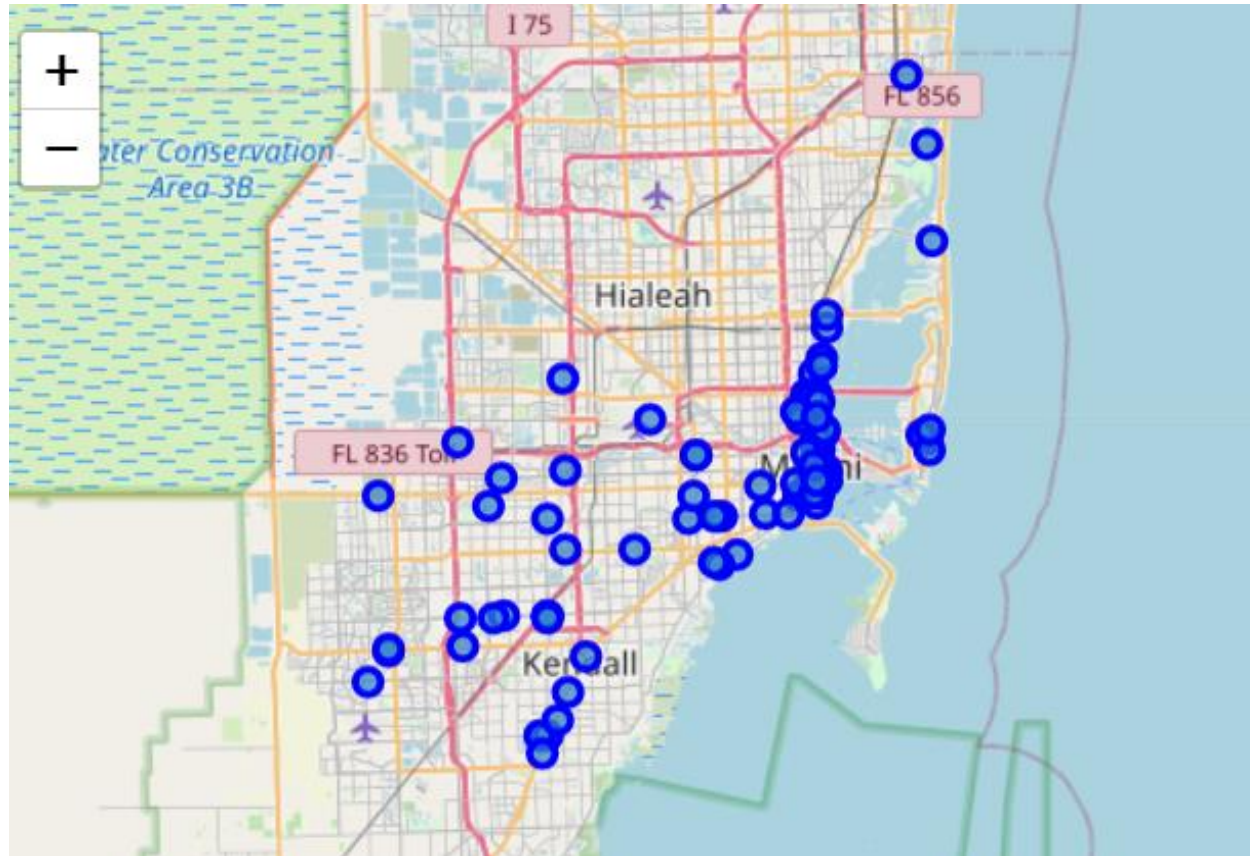

Japanese Restaurants Location –Seattle, WA

# ANALYSIS

Japanese Restaurants Location –Miami, FL

# ANALYSIS

City	San Francisco, CA	Seattle, WA	Miami, FL
Distance	0.02677	0.039194	0.076416

Distance: Mean Distance from the restaurants to the mean coordinates

# DISCUSSION AND CONCLUSION

- In San Francisco, there are total 270 Japanese restaurants, 235 in Seattle and 196 in Miami. San Francisco has the greatest number of Japanese Restaurants.
- San Francisco has the highest density of the Japanese Restaurants.
- San Francisco may be the best place for visitors or Japanese people to stay at
- Miami might be a good place to consider as not many competitions there.
